IMAGES JUDGED

Division	Images	Makers	Comments x 3
Beginners	54	21	14
Advanced	77	27	17
Masters	62	21	11
TOTAL	193	69	42

OBSERVATIONS

- Image sizing – 6% of submissions
 - 1400 wide X 1050 high – not interchangeable, don't use long side constraint
- Subject matter – 2% of submissions
 - No non-domesticated animals (insects, reptiles, birds, fish, mammals, etc.)
- Requests for comments – 2% of submissions - limited to one only
- Titles – 1% of submissions
 - Keep reasonably brief – excessive length creates technical problems
 - Avoid special characters (<, >, :, ", /, \, |, ?, *, accented characters)
- Duplicate image – 1% of submissions
 - Cannot be resubmitted to same category Competition – ever!

JUDGING STATISTICS

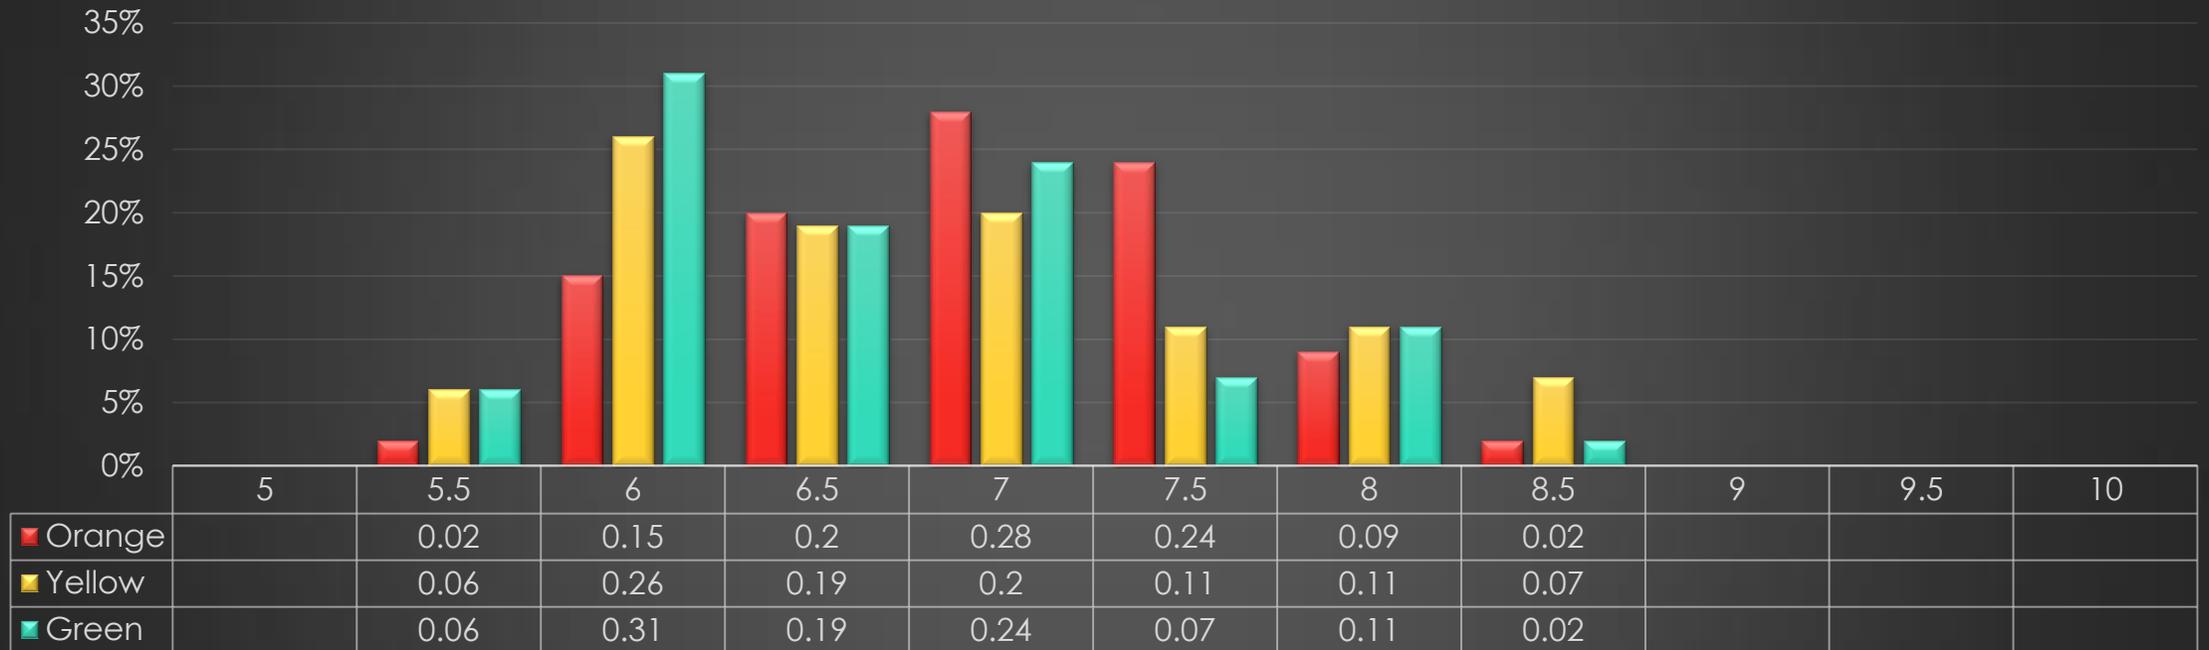

- Lowest aggregate score: 17.5 (3 images)
- Highest aggregate score: 26.5 (1 image)
- Average aggregate scores:
 - Beginners 20.5
 - Advanced 21.5
 - Masters 22.2
- Minimum score to win an award:
 - Beginners 23.0
 - Advanced 23.5
 - Masters 24.5

JUDGING STATISTICS

- Scoring consistency on 193 images judged
 - 1.5 point difference: 18% (35 images)
 - 2.0 point difference: 7% (14 images)
 - ≥ 2.5 point difference: 0
- No comments were requested of judges on differences of 2 points or more due to online nature of scoring.
- Absence of peer pressure or “group think”, which may exist with in-person judging, might account for evidently greater dispersion of scores with online judging.
